Yarding 3160
 Change -2370

comparison date 12/09/2019

With up to 20mm of rain earlier in the week and the thought that numbers may be starting to run out, numbers decreased by almost 2,400 head. It was a mostly plain quality yarding with yearlings in store condition making up the bulk of the yarding, with only odd pens of prime cattle mixed throughout. Cows were also well supplied, though the quality was back. Not all the regular buyers were operating with some southern processors and feeders not participating.

Young cattle to the trade were 10c cheaper, with the prime steer yearlings selling from 255c to 314c, while the prime heifer yearlings sold from 256c to 302c/kg. Feeder steers were 8c to 10c cheaper, while the feeder heifers were firm to 5c/kg cheaper. The feeder steers sold from 250c to 294c while the feeder heifers sold from 230c to 289c/kg. Young restocker cattle were 12c to 15c cheaper, with the young steers selling from 190c to 280c/kg. Young restocker heifers sold from 149c to 230c/kg.

Grown steers finished 10c/kg cheaper with the majority of those penned carrying their 6 teeth. The prime medium weights sold from 277c to 323c/kg. Grown heifers were a little cheaper with the better types selling from 260c to 290c/kg. Plain conditioned cows were firm to dearer while the better finished cows were 5c to 8c cheaper. 2 score cows sold from 158c to 218c/kg. The better 3 and 4 scores sold from 185c to 252c, with the prime heavy weights averaging 240c/kg. Bulls sold up to 255c/kg.
