

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Naracoorte

report date 24/09/2019

Yarding 1195  
 Change -165

comparison date 17/09/2019

Numbers eased slightly as agents offered 1,195 head of liveweight and open auction cattle. These sold to a large field of trade and processor buyers with an extra active buyer this week along with the usual array of feeders and restockers. The yarding was very mixed in quality with the better types receiving good competition from the buying group, however a large number of secondary types came forward with some very mixed pricing totally dependent on the quality in the pen in a mixed result for vendors.

A small number of vealers were offered with most of these being underdone with steers ranging from 262c to 310c and heifers from 223c to 286c/kg. Yearling steers to the trade ranged from 272c to 328c with heifers from 244c to 310c/kg. Feeder steers returned from 230c to 272c as feeder heifers ranged from 232c to 275c/kg. Restockers were active on yearling steers from 266c to 292c and on heifers from 230c to 255c/kg.

Grown steers and bullocks ranged from 280c to 328c with the grown heifers ranging from 238c to 310c as a small number of manufacturing steers ranged from 207c to 245c/kg. Heavy cows remained firm in price as they ranged from 230c to a high of 265c with the lighter types ranging from 205c to 231c as a large offering of bulls returned from 210c to 285c/kg.
