

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Naracoorte

report date 08/10/2019

Yarding 927

comparison date 01/10/2019

Change -252

Numbers eased as agents offered 927 head of liveweight and open auction cattle. These sold to another large field of trade and processor buyers with feeder and restocker orders both present and active throughout the offering. Quality lifted this week with more weight and condition over most of the cattle as pricing improved across the bulk of the categories.

Yearling steers to the trade ranged from 230c to 329c with a lift of 4c while yearling heifers also to the trade ranged from 205c to 316c with a rise of up to 8c/kg. Feeder steers ranged from 251c to 286c with feeder heifers trading from 205c to 282c/kg. Restocker orders operated on steers from 195c to 266c and on heifers to 240c/kg.

Grown steers and bullocks ranged from 240c to 328c with a lift of 5c to 12c/kg on some improved quality pens this week. Grown heifers ranged from 225c to 311c as manufacturing steers ranged from 180c to 236c/kg. Heavy cows remained firm in price as they ranged from 215c to a high of 251c with the lighter types ranging from 153c to 215c as a much smaller offering of bulls ranged from 226c to 285c/kg.
